Dear NAME 1,

Until very recently, Comm South Companies, Inc ("Comm South") had been providing your **local telephone service** over the resold facilities of SBC Texas (SBC). As you may be aware, Comm South is no longer able to provide your **local telephone service**.

To prevent your service from being disconnected without notification to you, SBC began providing **local telephone service** to you on March 13, 2006, for a limited transition period. You can continue receiving this service through April 13, 2006, which is the last day of this limited transition period. You will be billed by SBC for services provided to you during this transition period at our prevailing tariff rates. Rate information has been included along with this letter.

Important: You have a choice in selecting the **local telephone service** provider you want to provide service to you. To continue to receive service after April 13, 2006, you must arrange for service with one of the **local telephone service** providers in your area. Contact numbers for the local telephone providers in your area are available in your local telephone directory.

Should you wish to continue receiving SBC service after April 13, 2006, please call our business office. The telephone number for the SBC business office in your area is available in your SBC White Pages directory.

If within one week prior to the date of this letter, your local telephone service was disconnected or you changed your **local telephone service** provider, please disregard this letter. **If you have any questions regarding this letter please call 1-800-667-1086.**

Sincerely,
